Dragon Squad

Dragon Squad is a group program based on Tabletop RPGs (role playing games). This program is a fun activity for all ages and skill levels.

It's a great way for people to engage with others while using their imagination and creative ability to experience and create completely different worlds and stories.

This can range from adventures set in the stars, such as 'Star Wars' and 'Star Trek' to places off in fantastical worlds, such as 'Dungeons and Dragons' and '7th Sea'. If there is a universe or genre it's likely there's a role playing system for it.
