Literacy and numeracy

Access Recreation's Literacy and Numeracy group program has been developed for adults who want to develop their skills in reading, writing and numeracy. Our classes are small and our learners are supported to improve communication and other valuable personal and employability skills.

This program will use a wide range of evidence-based strategies to support participants to develop their literacy and numeracy skills to achieve meaningful and successful participation in everyday life, in a workplace and in the community.

LITERACY

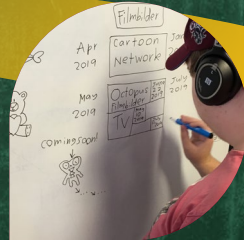

Developing foundation skills into intermediate & advanced skills.

- Articulation & pronunciation
- Functional handwriting
- Reading comprehension
- Developing word awareness with a personal dictionary
- Rhyming
- Segmenting
- Spelling
- Blending
- Phoneme & phonological awareness.

NUMERACY

Foundation, intermediate & advanced skills

- Numbers
- Counting
- Division, multiplication, addition & subtraction
- Understanding currency
- Sequencing
- Budgeting
- Measuring & distance
- Learning time management
