Take note CHOIR

Access Recreation's Take Note Choir is for adults with disability to experience the joy of singing.

Directed by local experienced musicians and performance artists, Take Note Choir provides a welcoming and supportive environment where participants can release their inner diva!

Take Note Choir meets once a week to rehearse, learn new songs or perform at local venues such as Aged Care facilities or community events such as Beach Day Out.

No singing experience is necessary. If you love music and singing, the Take Note Choir experience harnesses the joy of using one's voice and the infectious energy created through collective song and movement.
